**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please don't change the policy that allows small local Internet service providers fair access to communication networks. I don't want to have to rely on a huge corporation for my Internet access, which I expect would result in more use of my personal information such as web browsing history, and unwanted advertising.

For all the above reasons, I support broadband competition.

Thank you,

John Whitehead
